Sovereign Grand Commander
Supreme Council 33° of Russia
Moscow, Russia.

Most Powerful Sovereign Grand Commander:

On behalf of the Supreme Council of the 33rd Degree of the Dominican Republic, its members and on my own behalf, we express our fraternal greetings and support to all members of the Scottish Rite Freemasonry of Russia, in the current situation we are living with the COVID-19 pandemic.

This whole global situation calls us to be much more supportive, to promote the idea that individual responsibility is an element of positive impact on collective responsibility and that unity of purpose will lead us to overcome this crisis.

We raise our prayers to the Great Architect of the Universe to intercede for stability throughout Russia, to bring comfort to those who have lost a loved one, and to enlighten us all in the face of the decisions we will have to make at this time of great challenges for all humanity.

I am pleased to extend to you and to all the members of your Supreme Council our greetings and brotherly love.

 
Rafael A. Santana Viñas
Grand Chancellor-Secretary General
